SOMOS®

Agenda - Part One

01 | Setting the Stage
02 | TFNRegistry™ Refresh Highlights
03 | TFNRegistry™ Requests
04 | Roadmap & Next Steps
05 | Somos Hub Login

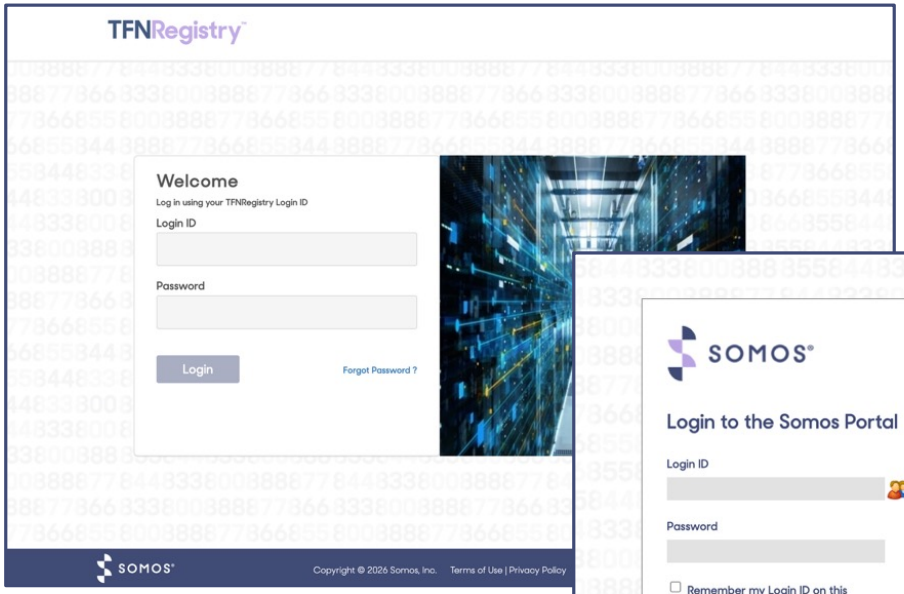

SOMOS®

TFNRegistry Modernization & Migration to the Somos Hub

- Leverage new & modern User Interface technologies
- Efficient Design & User Experience
- Standardize "Look & Feel" across our portfolio
- Standardize access and login flows

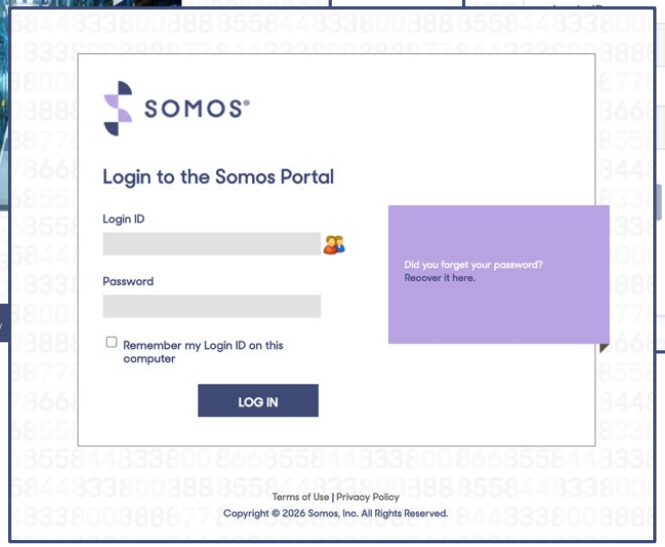

TFNRegistry Interfaces Today

TFNRegistry

TFNRegistry Reporting

Secure Portal

SOMOS

Note: Secure Portal will remain for Billing access only

Introducing Somos Hub

One Hub

One Login

One place for your authorized access to Somos Products

Beta Testing Assumptions

Testing will be done in Sandbox via the Somos Hub

Somos has loaded your Secure Portal data to the Somos Hub

As new features are released, we will communicate along the way

API testing is available and APIs remain unchanged

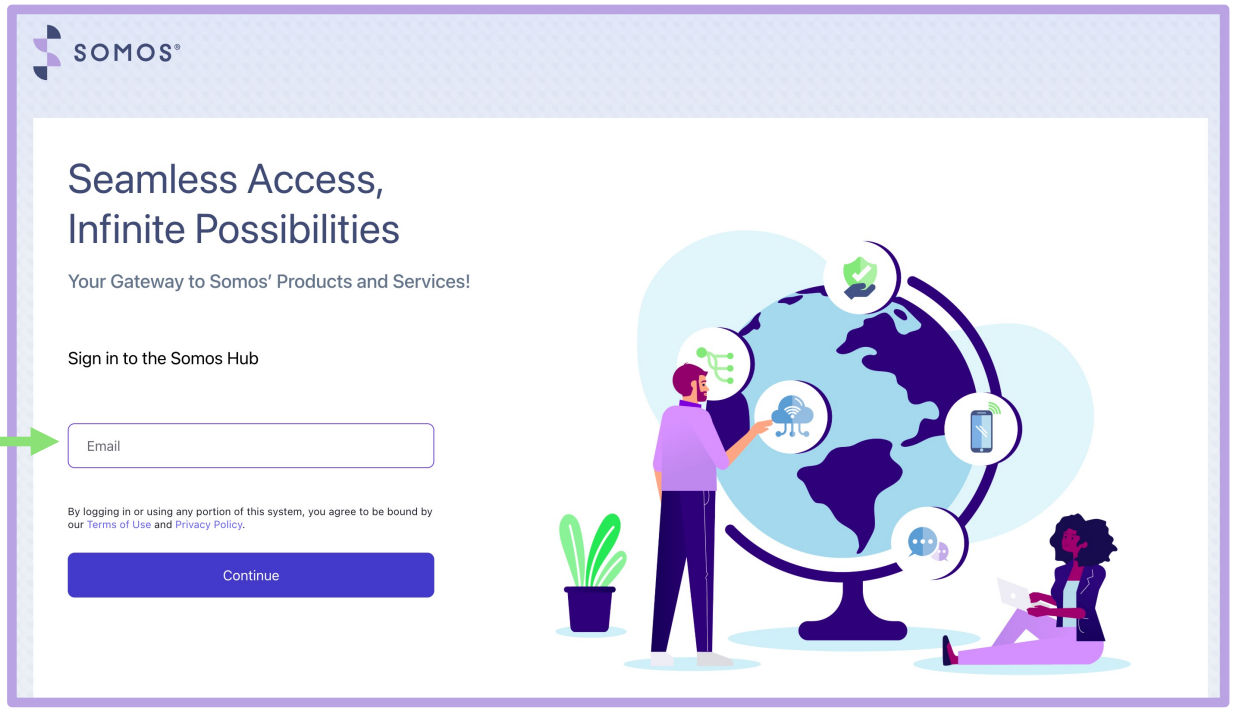

MFA is not enabled for the Beta program

TFNRegistry Reporting & AuctionRegistry are not part of the Beta program

Email Address is Your Unique Identifier!

Login using your email address on record in Secure Portal!

SOMOS

TFNRegistry Refresh Highlights

Acting As/
Switch User ID

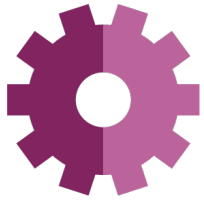

Jump To Feature
